*An Important Update & New Shopping Options*

March 20, 2020

As this Coronavirus situation continues to evolve, we wanted to reach out and communicate with our friends and clients.

Our first priority is the health and safety of our team, our clients and our families. We are confident that our store environment is as safe and sanitized as possible. And we will continue daily to make certain of that.

Despite all that is going on around us, life goes on. Birthdays, anniversaries and Easter will still occur. They may look different this year but these events will happen and are worthy of celebration. We recognize you will have needs and we are here to help.

We will stay open to serve you. We will certainly practice social distancing in the store.

Here are a few new measures we hope will be a help and solve some issues for you.

**Curb Service:** Not unlike the old drive in, we will bring to your car window, a selection of beautiful sport shirts, Peter Millar knits, ties, shorts and swim wear for you to choose from. White glove service!

**Face Time:** We would love to show you our outstanding Spring selection over FaceTime on iPhone or with photos by text or email. We can wrap and deliver either in person or by UPS. Just give us a call!

**Private shopping:** Just for you, 1 on 1 shopping by appointment before or after hours *or* in your home or office.

**Gift cards:** Always a great gift or way to say "thank you". We can deliver to you or directly to your recipient.

**Closet cleaning:** This could be a great time to have one of our team help you weed out old, out of date clothing and donate to those less fortunate. By appointment as well.

Our goal here is to serve you and our community. As a family owned business, we know that everyone is affected and together we can get through this. Some of our traditions this year are not going to happen. We want to make your tradition of Spring at The Locker Room will continue to happen. Thank you for your friendship, your loyalty and your business over these past 42 years. Stay safe and healthy and call us when we can help. God bless us all.

Sincerely,

*George & the TLR team*  
*George, Hunter, Tom, John, Ham, Davis, Taylor, Doug, Josh*  
*Bernice, Katherine, Deborah, Terrell, Matt, Diana*

PS. New store hours. **Tuesday - Saturday, 10am - 4pm.**  
*Until further Notice.*
